

1960s - Radical Critique of Mutuals - Issues on the People Side - Updated Field Notes

What was Inconceivable during 1960s?

- (i) In 2017 there will be No Mutual Life Offices. (ii) Workers must contribute 10% to Superannuation!
- (ii) **What is inconceivable today?** How do we begin to conceive the inconceivable?

1960s & 1980s - The Research Study Group (An Audience for critique of Ideas with 180 members) **The Business Study Group**

Natural Living Processes Lexicon Superannuation in a Quantum World

Being Objective

- Big 'O' Objectivity** (including the Subjective & the deep inter-subjective)
- Small 'o' objectivity** (Excluding the subjective) c/f Deep inter-subjectivity. Minimizing Human Subject → Object (Asset)
- Human talent and competence not on the Balance Sheet
- Externalization Only consider the External** ('You're being subjective' - as a term of abuse)

Tapping Human Potential – www.laceweb.org.au/rhp.htm

LATATA Looking At Things As They Are

Compared with LATATCB Looking At Things As They Could Be (or should be),

- Re-socialising socializing** – Regaining Socially Ecological Radical Critique

Patterns of Accommodating in Dysfunctional Organizations.- Upward Mobile; Ambivalent; Indifferent; (Parenthetical)

The Body of Proof Movement as potent entry point to changing the Brain

Being a hothead Can't stomach that Caught off side Choked up Feel it in my bones	Gives me the creeps Gut Feeling Heart broken I'm down at the moment Jumping out of my skin	On the back foot Stomach churning My Stomach turned He's a Tight Assed Bastard Being Up Tight
--	--	---

--	--	--

Connexity: {**simultaneously:** inter-connected + inter-related + inter-dependent + inter-woven}

Holistic Entanglement - Quantity is just one of many qualities – though today, quantity is king - compared with Qualitative

Fund Valuation $PV\ IN = PV\ Out + k$ ($k = error$) **Neo & the Architect:** You're the Sum of Anomalies in an unbalanced equation

Ways of Knowing Prevalence of not recognizing when I've reached the limits of comprehending (assume I'm facing nonsense)

<p>Wissen Knowing → Predicting → Controlling Knowing → Grasping → Controlling Getting to the Moon</p>	<p>Kennen Knowing → Embracing → Appreciating Knowing → Embracing → Understanding Having a good time getting to the Moon</p>
--	--

Reification - the illusion that something made by man is god given - like the sky is blue (AMP Mutual is and always will be)

Being Deaf while listening to myself think
 'Zero Sum Power' compared with 'Authentic Power'
